

REX PUTNAM HIGH SCHOOL

Health & Wellness Center

- *Open to all K-12 students within feeder system*
- *Students receive care and services regardless of ability to pay*

OUR LICENSED FAMILY NURSE PRACTITIONER AND MENTAL HEALTH SPECIALIST PROVIDE:

- Diagnosis and treatment of injury and illness
- Common issues: sore throat, ear ache, cough, rashes, stomach ache and sprained ankle
- Mental health counseling: individual and family therapy and crisis intervention
- Annual checkups/well child visits
- Sports physicals
- Age-appropriate vaccines: flu and measles shots
- Age-appropriate reproductive health services
- Dental health and hygiene
- Referrals to specialty care: physical therapy, dermatology, and more

Students and families are not charged for services. Insurance is billed when possible in order to sustain the Health and Wellness Center.
